

ORCHESTRE FRANÇAIS DES JEUNES TALENTS

Passion, Quality, Excellence and Pleasure: it is with these 4 keywords that the adventure of the OFJT began 6 years ago, an ephemeral orchestra created in April 2018. It welcomes all young, very young and promising musicians, aged 6 to 17 years, who have to pass an annual selection at the national level. With the aim of representing the best young French talents on the national and international stage, OFJT is currently conducted by the young and talented Antonin Rey under the artistic direction of Mr. Daniel Catalanotti and the founder Mrs. Sha Qian is in charge of its management.
